

Emergency and Handy Numbers

Contra Costa County has a Central County Mini Guide to Aging & Adult Services that covers San Ramon. It includes a great variety of issues that might be of interest to Sunny Glen residents so a copy is being included with the directory. There is one serious error in the document: the toll-free telephone number for calling within the County is directed to Alameda County for San Ramon residents. Therefore, wherever the number (800) 510-2020 is listed in this Guide, please replace it with (925) 229-8434.
