## PRESIDENT'S MESSAGE:

Fall is in the air, and we are loving the cooler temperatures. It's a great time of year to get outdoors and take those walks around the community or on the Iron Horse trail. Our local landscapes will be changing color soon and I'm always amazed how beautiful our area is even amongst our sprawling urban landscape.

### **Weed Abatement and Yard Clean Up:**

Guy Gardner, a member of our community would like to arrange help for you through a free service from the missionaries of the Church of Jesus Christ of Latter-Day Saints who will do outside work cutting the lawn, helping with weeding, and garden cleanup. This service is free of charge to the residents. Residents must supply the garden tools for the missionaries to work with. They will supply all the labor!

Also, the San Ramon Presbyterian Church volunteers will be here Saturday, October 19TH - don't forget to submit your Volunteer Request form by October 9TH.

### **Ivy Park Development Plan:**

Ivy Park Assisted Care facility is expanding their operation and will be expanding their parking lot on the south side of their property. September 19, 2024, many Sunny Glen Residents attended a public hearing in the City Council Chambers. I brought forth concerns of building within the flood zone and the wall having a negative impact to the community. The city was not prepared to talk about the wall and has made their decision based on dated FEMA flood studies. We did make progress on the parking situation and Ivy Park will take immediate steps towards requiring their employees, residents, contract workers, and guests to park on their property. The City of San Ramon will be painting red curbs at both entrances to Ivy Park. We expect this transition will take 30 days before we see significant improvements.

### **Water Usage at the Clubhouse:**

We had a plumbing company come out and make some long overdue plumbing repairs of leaking sprinkler lines and faulty valves. The sprinklers were cut back to three times per week and a new timer was installed for the swimming pool fill hose. A 24-hour evaporation test was conducted on the swimming pool, and it looks like it's a normal drop of a little over ¼". We will do another more another multiple day study once the pool closes and will be keeping a close eye on the bill in the coming months.

**Next Community Board meeting is 7pm Wednesday October 2, 2024, at the Clubhouse, 9000 Craydon Circle.**

Until Next Month,

## LIBRARY NEWS - JOYCE GUNN

Summer has been very hot! I'm looking forward to some cooler weather.

I hope you are enjoying life in Sunny Glen with our newly restored clubhouse and that you have discovered our library. The Sunny Glen Library has something for everyone. Books, of course, which are arranged in general categories – mysteries, spies and foreign intrigue, romance, and novels including best sellers, historical fiction and classic titles. There are also books by local authors and about local history. The non-fiction area by the door is divided into biographies, religious and inspirational, and non-fiction which includes a variety of subjects from history and science to sports and self-improvement.

In addition to books, the library has jigsaw puzzles that include puzzles from 350 pieces to 2000 pieces. I check all donated puzzles to be sure they have all the pieces before I add them. When returning the puzzles, please be sure to put the pieces in the plastic bag they came in and please take the puzzle completely apart to prevent damage and so the next person can enjoy assembling it. There are also popular DVDs and CDs to borrow and magazines. You may borrow any item from the library. When you are finished with it, return it in the basket.

This is your library. Everything in it has been donated by residents. We accept a small number of donations since we have limited space. Donations must be in nearly new condition – no damaged items, please – and should be of general interest. ALL donated items –books, puzzles, etc.—should be placed in the basket or on the shelves below. Thank you.

*I hope you enjoy YOUR library.*

## MONTHLY BOOK CLUB

Sunny Glen's book club will meet in the library **Monday, October 7th at 2 PM**. The book we will be discussing is *Glass Houses* by Louise Penny.

November's book selection will be *The Book Woman's Daughter* by Ann Michelle Richardson.

## BOCCE BALL

Our nice fall weather is here. Come join us. No experience needed...as we are all very inexperienced.

Mondays @ 4:00PM. Everyone is welcome.
