Vol IV Issue 01

PRESIDENT'S MESSAGE:

Happy New Year to you all!! Sharon and I had a great 2024 holiday season. We spent time with family celebrations, holiday parties with friends, and the very successful Sunny Glen holiday community party. In between all the celebrations we got out to see the holiday lights in San Francisco and take a holiday light tour on the old San Francisco fire truck. I can honestly say it was exhausting, but so worth all the effort. We are looking forward to 2025 with an open heart and adventurous spirit.

Sunny Glen Senior Community Holiday Party:

Thank you to all our dedicated community member volunteers who pulled up their sleeves and dug into all the logistics and hard work that it took to produce the BEST holiday party of all time. It was a tremendous success with 80 people in attendance on a Friday evening listening to a live band, comedian, dancing, and socializing with neighbors and friends while enjoying a catered holiday spread. We all live in a wonderful, safe, close-knit community that we call Sunny Glen.

Lunar New Year Celebration: Cancelled

It is with some regret that we have decided to cancel a Lunar New Year party. We hope to bring this celebration back next year.

Social Committee Chairperson and Volunteers for 2025:

The Sunny Glen Board is looking to establish a new Social Committee for 2025. If you are interested in working on a team of dedicated community member volunteers, please reach out to Marianne Dimick or Mark Ballock by emailing them at Sunnyglenboard@gmail.com or drop off a note in the mail slot at the clubhouse office. We are looking forward to hearing from you.

Barking dogs in our community:

We have received complaints of barking dogs that bark for hours. This is a nuisance for our community and neighbors who must listen to the dogs. If dogs are left alone for long periods of time, it causes stress for animals. Please keep your pets inside with familiar surroundings to reduce their stress. The Sunny Glen Board is asking kindly for your cooperation in controlling your pets.

Water Usage and French Drain at the Clubhouse:

Irrigation sprinklers have been turned off for the season. We should notice a water reduction soon. Work on the French Drains will be started soon weather permitting.

Next Community Board meeting is **7pm Wednesday, January 8, 2025** at the Clubhouse, 9000 Craydon Circle.

Until Next Month,

Mark Ballock, President

Sunny Glen Senior Community Holiday Party Pictures

The multi-cultural Holiday Affair was a huge success. Everyone had a great and festive time. We enjoyed great music, organized by Josie and Joe Maes, delicious food, beautiful decorations and a comedian. Many danced the night away.

LIBRARY NEWS

JOYCE GUNN

Happy New Year! I hope your 2025 is full of wonderful books!

The Sunny Glen Library has lots of books for you to enjoy. We are working to process your generous donations. You will find new books in many of the sections, including non-fiction, religion and inspiration, and biographies. The new books are separated out from the other books in each area with a small sign. We are working on adding new books to the other sections, also.

New puzzles have also been added. And don't forget to look through our DVDs, CDs, large print books and local history books to discover some treasures. By March, we will be able to accept donations again. You are so generous! I will leave the Christmas and holiday books out for a while. The magazines are on the small table by the window. We welcome issues within the last few months.

There are calendars for 2025 on a table, as well as puzzle books, for you to take. Thank you to those who have donated them. Wishing each of you a joy-filled New Year!
