Vol IV Issue 03

PRESIDENT'S MESSAGE:

We've had beautiful weather mixed with a rainstorm or two this past month. Spring is showing up early which has me scrambling to get my yard in shape. I'm hoping I'm not too late in getting it prepped for the blooming season; time will tell. With unseasonably warm weather, we are eager and ready for a few RV excursions this spring around northern and central California. We can't wait to get the adventures going.

RV Parking:

There are three spaces open for RV storage. Two spaces have been vacant for over a year and the Board has approved opening it up to people outside of Sunny Glen. As a Sunny Glen resident, you're able to secure a space for a family member not living in Sunny Glen. Sunny Glen residents are charged yearly for space rentals at \$950.00 per year. Outside residents will be charged \$1500.00 per year.

Weed Abatement of Properties:

Spring has sprung early this year, and weeds are starting to sprout up with a vengeance. It's time to be proactive and pull the weeds as they appear as it's much easier to pull a little at a time rather than waiting for weeds to become established. Weeds and unsightly vegetation need to be taken care of by April 30th to avoid the "Weed Police".

Craft Fair April 26th:

Sunny Glen's Craft Fair is Saturday April 26th 10am to 3pm. All the vendor tables have been reserved and the proceeds from table rentals will go to the TV fund for the Clubhouse Hall. Please invite your friends to attend.

Stay Informed and Up to Date:

Misinformation about Sunny Glen gets spread throughout the community through neighbor communication chains and are confusing people about what's real and not. The best place to get correct information and get all your questions answered correctly are at the community Board meetings on the first Wednesday of every month.

Adventure Presentations at the Clubhouse:

Some of our community members have traveled the US and abroad and have some interesting stories and adventures to share. Is there interest in having a speaker evening at the clubhouse bringing these stories to life? Drop me a note in the office door at the clubhouse or call and leave me a message.

LIBRARY NEWS

JOYCE GUNN

MORE new books have been added to your Sunny Glen Library. For a few months, the new books will be shelved separately in each area with clear signs. They all have a purple date (1/25 or 2/25) at the top of the spine.

The Novels section (near the game room) has lots of new books. You'll find some familiar titles like Jonathan Living Seagull (Bach) Paper Money (Follett), Killers of the Flower Moon (Grann), Crazy Rich Asians (Kwan), Pachinko (Lee), Call the Midwife (Worth), Where the Crawdads Sing (Owens), The Martian (Weir) and The Midnight Library (Haig), some of which have been recent movies or on TV. Familiar authors have been added: Ernest Hemingway, Steve Berry, Dave Eggers, Dennis Lehane, Kate Morton, Lisa See, Nicholas Sparks and Amy Tan, among others. Unfamiliar, but interesting new titles include The Little Old Lady Who Broke All the Rules, Summer at Tiffany, Black Cake and Brooklyn.

The Romance section (above the jigsaw puzzles) has also been weeded and new items added. New titles by B.J. Daniels, Debbie Macomber, Nora Roberts and Linda Lael Miller have been added, along with Elin Hilderbrand and others. One new romance author has a familiar name – Stacy Abrams!

We have also added new Large Print books. They are on the bookcase near the game room.

On March 15 we will start accepting donations again. Please, only donate a very small number of books due to our limited space. The books must be in nearly new condition and of general interest. Choose the very best of what you have to share with your Sunny Glen neighbors.
