Vol IV Issue 10

## PRESIDENT'S MESSAGE:

**There will be NO BOARD MEETING in October.** We will have a fun-filled Halloween Party instead on Saturday, October 25th at 6pm. in the community building. We will continue to broadcast the 49er games on our 100" TV whenever they are on. Come and join the fun of rooting for our winning, home team. Movies are being shown on Wednesdays at 1pm, so tell us what you want to see. We are continually looking for ways to make our community all inclusive.

**Swimming Pool Closing:** The swimming pool will be closing for the season October 17th. I hope you enjoy the rest of the pool season.

**Vandalism, and Car Accidents:** Yes, right here at the Clubhouse this past month. The shower door was locked in the open position to discourage residents from taking full on showers, and bathing their entire families. After installing the lock on the door, it was forcefully broken open by someone. It now has been repaired and a new lock installed. We also experienced a non-injury traffic accident in the parking lot of the Clubhouse where a car was totaled. We encourage all drivers to drive with caution and slowly through the Clubhouse parking lot.

**Security Cameras:** More security cameras will be phased in over the next several months. It's unfortunate that we live in times that we need to watch the clubhouse 24/7; that's the reality.

**Weeds and Dead Vegetation:** This is a problem and seems to be growing with many yards in the community. We are asking for your cooperation in cleaning up your front yard and to avoid fines in the future. Weeds, overgrown vegetation encroaching along sidewalks, and dead vegetation are appearing in some front yards. The maintenance of your yards is a full-time obligation for the homeowners of this community not just a once per year springtime obligation. Please help to maintain the continuity of the neighborhood by maintaining your property year-round. There is potentially some labor help available at no cost to you. Please reach out to me and I can put you in touch.

**CC&Rs:** New proposed CC&Rs will be distributed within the next two months. There are copies in red binders in the lobby of the clubhouse. Please take some time to read through them and understand them. This will be a community wide vote to pass them and all homeowners need to understand them.

Thank you to our dedicated residents putting pressure on the City of San Ramon to install a speed detector in front of Ivy Park on Fircrest. We all hope this will deter speeders in our community.

## LIBRARY NEWS

Joyce Gunn

Last month I highlighted new books in many of the sections. We also have many new titles in the Novels section next to the game room. There are three Nicholas Sparks books including The Notebook, a Danielle Steel, and J.K. Rowling's The Casual Vacancy. Classics you may not have read that are newly added include Hemingway's The Sun Also Rises, John O'Hara's Appointment in Samarra and Barbara Kingsolver's Demon Copperhead. A wonderful novel about the Japanese in Seattle during WW II is Hotel on the Corner of Bitter and Sweet by Jamie Ford. Also note, the colored dot on novels is changing from orange to white because the orange is no longer available.

Have you looked through our DVD collection? There are many great titles, some that have never been used. There are multiple Clint Eastwood movies. If you enjoy series, we have Downton Abbey and many in the National Treasure, Pirates of the Caribbean, Italian Job and Indiana Jones series. If history is your interest, the DVDs include Band of Brothers, Dunkirk, Troy and Tora! Tora! Tora! And just for fun, how about The Sting? If you borrow a DVD and there is a problem with it, please simply put it in your trash.

I hope you had a great summer and that you enjoy your Sunny Glen Library.
